Transition to Kindergarten Goals

2011/2012

Transition Goals

□ *Goals for 2011/2012*

1. Warwick School District will facilitate a meeting with Early Childcare Providers annually.
2. Provide information to ECP in an effort to have students become familiar with the elementary school buildings. Events could be: a video introduction of the school, summer tour, etc...
3. Using the One Book, Every Young Child selection, coordinate an activity between an elementary representative and the ECP. Activities could be: using Skype to videoconference with the K classrooms, spending a representative to the ECP or a video of the Principal reading the book. This will be shared with the Early Childcare Providers.
