**Parent Pick-up and Drop-Off area:**

- Orange St. between Cedar St. & the Bus Area.
- The area on Orange St., close to Raspberry Ln., has been designated as a School Bus Pick-Up/Drop-Off area. Although all of Orange St. will be available when no buses are present, buses do have priority, so please keep an eye out for them. Thanks.

**Arrival and Dismissal times:**

- Arrival: 7:50am – 8:00am. Students arriving after 8:00am will be considered late.
- Dismissal: 2:30pm.

Parents – In order to avoid traffic jams in the Pick-Up/Drop-Off areas, please make sure that your child is ready to exit your vehicle when you pull up to the curb. As soon as your child has safely exited, please proceed out of the area to make room for other vehicles. When picking up your child, please make sure they are waiting at the Pick-Up area for you. If they are not there, please move out of the area and circle the block to try again.

**If you prefer to avoid the traffic on Orange St., you may want to arrange to drop-off and pick-up your child at a crossing guard location a block or two from the school.**

Following these courtesies will help keep traffic moving, keep everyone safe, and allow for an easier time for all concerned. There will be adult supervision in the Pick-Up/Drop-Off areas to assist both children and drivers.

Keep in mind that crossing guards and adult supervisors are there to assist students on their way to and from school. Please do not ask them to be responsible for watching your child for any period of time. If you need to drop your child off early or pick them up late, please arrange a place for them in a before or after school care program.

**No Stopping, Standing, or Parking Zones:**

Cedar St., Raspberry Ln., and Juniper Ln. have been designated by the Borough as No Stopping, Standing, or Parking Zones due to safety issues. Under no circumstances are drivers to stop or park in these areas. Drivers, who fail to obey the No Stopping, Standing, or Parking Zones, will be cited by the Lititz Borough Police Department.

**Everyone’s main goal is “Safety First”.** The school zones and above guidelines were developed based on that goal. As with anything new, there will probably be a period of adjustment during the first few weeks of the school year. However, with patience and a focus on “Safety First”, everyone’s travel to and from Lititz El will become a smooth routine very quickly.
