

# PTO Volunteer Sign-up Sheet

## Bonfield Elementary School

As parents, we know that to help our children get the best possible education; we need to be involved in our school. Through the *Volunteer Educational Partner Program*, our PTO provides many opportunities for parents to be involved in the activities that benefit Bonfield students and the school community. Volunteering takes only a small amount of time, and whether you prefer your efforts to be on the scene or behind, there's something for everyone.

After reading the attached pamphlet describing our committees, please complete this form and return to the school, via your child. Your name will be entered into a volunteer database. As the date of your event gets closer, a PTO coordinator will contact you. It's that simple. Thank you for your help.
