

BONFIELD ELEMENTARY SCHOOL

GUIDELINES FOR DROP-OFF AND PICK UP AT THE CAFETERIA PARKING LOT

To ensure the safety of our students when arriving and departing from school, parents/drivers are required to follow the newly painted **directional arrows**. The arrows indicate the traffic flow pattern, and the sign and words clearly mark **ONE WAY DO NOT ENTER**. There is an **orange line** on the sidewalk indicating that students may not cross the line unless: 1. entering a car waiting in line along the curb, 2. escorted by a parent/guardian who has parked their car in the lot and is escorting their child to the car, or 3. at the direction of the safety patrol. A safety patrol will be stationed on the sidewalk and is to be respected. Your cooperation is greatly appreciated.
