January 30, 2012

Dear Parents,

To assist students in their transition to the high school, school counselors provide career activities to encourage students to make decisions based on an awareness of their skills, interests, and aptitudes.

Additionally, as part of guidance class activities, each student will initiate a career folder. This folder will be used to store student information related to career awareness and decision-making. Students will add information as they progress through high school. Middle school and high school counselors will maintain these folders for student use through their school years.

On February 6-8, 2012, all eighth grade students will receive a High School Curriculum Guide and Course Selection Sheet and will be given instructions on how to choose their classes. Curriculum Guides are also available online at the Warwick High School Guidance webpage. To access this site please follow these steps:

1. Go to www.warwicksd.org
2. At the top left click on "Schools"
3. Click on "High School"
4. Look for "12-13 Curriculum Guide"

On February 9, 2012 at 6:30 p.m. the Warwick High School administration and faculty will be hosting a meeting for the parents of all eighth, ninth, tenth, and eleventh grade students to present the curriculum guide, discuss course selection and allow parents and students to tour the High School (please note, students are not required to attend but are certainly welcome). You are cordially invited to attend this meeting. Please plan to attend and bring any questions you may have. This meeting will be held in the High School Auditorium.

Signed course selection sheets will be due in the Middle School Guidance Office by Wednesday, February 22, 2012. Counselors will attempt to meet individually with all eighth grade students to review their choices between March and May 2012.

Thank you for all of your assistance in this important time of your child's life. Please contact your child's school counselor if you have any questions or concerns.

Sincerely,

Brett Miller
(Students with last names A-K)

Marguerite Kull
(Students with last names L-Z)
