Warwick Released Time

2017-2018 Warwick Released Time Registration

The Warwick Released Time (WRT) Program administers a standard, non-denominational curriculum that emphasizes the beliefs that Christians commonly share. Our two year program teaches 4th graders the faith of the people in the Bible's Old Testament and 5th graders learn about the life and teachings of Jesus from the Bible's New Testament. A Bible is given to each student to use through 4th and 5th grade and gifted to the 5th grade students upon completion of their 5th grade class. Students are released from school for one hour per week, September through May, as provided by Pennsylvania State Law. The Warwick School District is NOT responsible for Released Time Programming.

Student Transportation: Local bus company provides transportation. Warwick Released Time staff supervises the students on the bus. Lititz Elementary students walk with supervision.

Warwick Released Time (WRT) is a FREE program for all students. Parents will not be charged anything for the cost of the Warwick Released Time Program. However, we do want you to be aware that if your child attends church on a regular basis, that church will be contacted and requested to help with the cost of the program. Most local churches pay the \$100 tuition per year for their students and help with the costs for those students who have no church. No child is ever turned away from the Warwick Released Time Program. WRT is a non-profit organization and relies on contributions from our sponsors, churches, and fundraisers. Parents are never asked to do a fundraiser but invited to join us for our annual Isaac's outing with a percentage of the proceeds forwarded to WRT.

Open House is an opportunity for each class to share what they have learned. A fun evening for family and friends, the program includes a slideshow of class pictures at WRT. **These are group pictures. No names, sharing, or use in any other way and will be deleted after Open House program.**
