

Dear Parent,

Beginning October 1, 2017 Warwick Middle School proudly joins Stauffers of Kissel Hill's School Rewards program to help raise funds for our school. It's easy and it's FREE. Simply sign up for a Stauffers Rewards Card in store, register for an **e-Shop account** on www.skh.com under the Fresh Foods On Sale section, and choose which school you'd like to support.

Your Rewards Card will be linked to us until you designate otherwise. You only need to do this one time. When your card is linked Warwick Middle School will receive a percentage of your Stauffers of Kissel Fresh Foods purchases.

This program does not interfere with your Rewards Card price cuts or savings and it doesn't cost you any money and you can continue to earn Stauffers Grocery Rewards.

Thank You.

Program FAQs - Customer

At Stauffers Fresh Foods it is part of our mission to "Enrich Our Community" through involvement with our new program Stauffers School Rewards. This year we are committed to give up to \$20,000 to Lancaster County schools.

How does the program work?

The program works by giving schools the opportunity to earn a percentage of sales made at Stauffers of Kissel Hill Fresh Foods by registered Stauffers Rewards Card members. Stauffers Reward Card members would choose which school they wish to support and using their Stauffers Rewards Card, we would track customer purchases earned for your school. A check would be issued to each designated school at the end of each earning period.

Stauffers of Kissel Hill will rebate up to 1% of the purchases made in the schools names with a maximum donation of \$20,000 to all enrolled Schools. If the amount to be rebated to all schools exceeds \$20,000, your school will get a pro-rated percentage of the \$20,000 based on the total purchases of all schools. Example: Stauffers of Kissel Hill will rebate up to 1% of the purchases made in the schools names with a maximum donation of \$20,000 to all enrolled schools. If the amount to be rebated to all schools exceeds \$20,000, your school will get a pro-rated percentage of the \$20,000 based on the total of all purchases linked to the school.

Example: The total amount of purchases in all the Schools is \$3,000,000 and School A has accumulated \$60,000 in purchases, $\$60,000 / \$3,000,000 = 1\%$ of all purchases in all schools' names, School A will receive 1% of \$20,000 or \$200.

Do my Stauffers Home & Garden Store purchases count towards Stauffers School Rewards?

Stauffers School Rewards is only supported by Fresh Foods purchases made with Stauffers Rewards Cards.

Are there specific items that qualify for this program?

All purchases accumulated on Stauffers Rewards Card are eligible. The following are excluded from earning Rewards points: Home & Garden purchases, fluid milk (including cream, heavy cream, half-and-half, etc.), postage stamps, gift cards, third-party pharmacy prescriptions, Under the Tent food, event tickets and other items prohibited by law.

How do I know if my school is participating?

Schools must enroll in the Stauffers School Rewards program to earn these monies. If approved, your school will be listed as an option for your support on the Stauffers School Rewards customer e-shop account.
