1. GAPP Exchange Presentation
~ *Warwick High School Students & Mrs. Wendy Andrews*

Mrs. Andrews accompanied by two high school students, Corbin Snavelly and Leeann Runkle, shared highlights from their exchange experience in Germany. The students shared the importance of visiting another culture, meeting people, creating new friendships, developing their language skills, visiting the sites, and participating in varied activities. They also shared the positive impact the trip had on their lives, both abroad and at home, now and for the future. Thirty students participated in this trip. They were appreciative of the Boards support to make this trip possible. The students look forward to hosting their peers from Germany in the future.

2. Feasibility Study Options Presentation
~ *RLPS Architects – Craig Kimmel & Erin Hoffman*

The district has participated in the feasibility study for the past two years. The district started with six options, which have now been narrowed to two. Since the last presentation to the Board, Mr. Kimmel and Ms. Hoffman met with district administration to discuss needs in moving forward. Specifics regarding the two options and possible grade configurations were shared. A focus on 21st century learning and creating collaboration spaces was discussed. Proposed changes to the high school and rationales were presented. Cost estimates related to construction were provided for the proposed renovations.

3. Other Relevant Items

The committee adjourned at 8:08 p.m.
Respectfully Submitted,

Lisa Bonfield
