**Think salad is always healthy? The dressing on some restaurant salads may add hundreds of calories and 20 grams of fat to a meal! So try to ask for the dressing on the side when you eat out, choose oil-and-vinegar style over creamier dressings, and consider lower-fat dressing when buying by the bottle.**

# ★ OUR NATION'S HISTORY ★

**B**efore there was Presidents' Day, there were two such days in February – the birthdays of two of our greatest Presidents, Abraham Lincoln (February 12) and George Washington (February 22), both fall during this month.

Many states and towns celebrated one or the other or both of these days from the time Washington's birthday was made a national holiday in 1885, until the two days were finally combined into a single day honoring both men in the 1970's. Today, the holiday is usually seen as celebrating all U.S. Presidents in general, not only Lincoln and Washington.
