2024 President-Elect (one-year term)

Allison Mathis – Candidate for President-Elect

My name is Allison Mathis, and I am a candidate for the position of President Elect of the PSBA Governing Board.

For the past two years I have served as Vice President of the PSBA Governing Board. I also chair the Bylaws Committee and Platform Committee and assisted in the 2022 Delegate Assembly. Prior to being elected Vice President of the Governing Board, I was a PSBA Sectional Advisor.

I live in Southwestern Pennsylvania, just north of Pittsburgh. I was elected to the North Hills School District Board of Education in 2017 and I have served as North Hills School District Board President since December of 2019. I previously chaired the district's Education Committee and currently chair the Finance Committee. I am a member of various other district committees as well as an active parent volunteer. I am a dedicated school board member and exhibit professionalism in all circumstances. I also believe I bring this dedication and professionalism to my role on the PSBA Governing Board as Vice President.

Throughout my time on the school board, I have utilized and appreciated the resources, services, support, and expertise that PSBA offers. I truly believe that the support and education PSBA provides makes me a better board member and a better leader.

A graduate of The Johns Hopkins University, my professional background is in project management and communications. I have strong communication and interpersonal skills and enjoy getting to know new people. I am currently employed as a Client Services Manager for a brand and marketing agency in Pittsburgh.

I apply for the role of President Elect with no specific agenda, but for to further expand my advocacy for public education, and my involvement in PSBA. It would be my honor to represent the association and continue to champion the mission, vision, and values of PSBA.

Thank you for your consideration.

2024 Vice President (one-year term)

Sabrina Backer – Candidate for Vice President

My name is Sabrina Backer and I'm running for Vice-President of PSBA. As an enthusiastic advocate for public education and a deep commitment to serving my community, I believe the role of Vice President is an opportunity for me to make a positive impact on our schools.

First and foremost, education is the foundation of progress and success. It is the key to unlocking the potential within each and every student. As Vice President of PSBA, I will aim to work to ensure that our public-school boards receive the support, resources, and attention they need to provide the best possible education to every child. Together we can create an educational environment that sets our students up for success.

I believe in the power of collaboration. The Vice President of PSBA plays a crucial role in fostering partnerships and I am committed to building strong relationships and facilitating open lines of communication. By bringing together diverse perspectives and ideas, we can create a stronger organization that can serve the unique needs of local boards.

An essential aspect of my candidacy is my dedication to inclusivity and diversity. Our schools should be safe spaces that embrace students from all backgrounds, cultures, and abilities. By assisting boards in championing diversity in our educational institutions, we can prepare our students to thrive in an increasingly interconnected world.

I firmly believe that effective leadership is rooted in integrity and transparency. If elected as Vice President, I will uphold these principles. I will work collaboratively to make informed decisions that prioritize the best interests of local boards.

I am running for Vice President as PSBA because I am passionate about public education and dedicated to making a difference in the lives of students. I humbly ask for your support and the opportunity to serve as your Vice President.

2024-2026 PSBA Treasurer (three-year term)

Karen Beck Pooley – Candidate for Treasurer

My name is Karen Beck Pooley. I'm a school director with the Bethlehem Area School District – currently running for my third term – and a member of Pennsylvanians for Fair Funding, BASD Proud Parents, our district's parent engagement and advocacy arm, and the Sectional Advisor in our area for PSBA. I'm in all of these roles because of how essential I feel public schools are to our communities and to our children: they are the biggest and most important investment we collectively make in both. Our public schools ground and build wealth for our communities, and they connect our children to countless opportunities – they are a vital pathway to upward mobility.

Advocating for BASD students and taxpayers has been a big part of my work on our board – and I've spent considerable time meeting with state reps about state-level education policy, pending legislation, and all the positive things going on in our district. I've built relationships, too, with school directors from across the state as part of this advocacy work, particularly work focused on increasing state support for our schools and ensuring that support is equitably distributed.

Beyond that, I'm proud to chair our board's Facilities Committee and to represent our board on Northampton Community College's own board. I've worked to integrate our school district into local community engagement and neighborhood planning efforts, and I also sit on the boards of both Bethlehem-based and regional nonprofit organizations.

I would be very excited to take on this new position as PSBA's Treasurer, something I see building on my role as a PSBA Sectional Advisor as well as my other advocacy work. I should share that my professional background is not in finance or accounting – I have a PhD in City Planning and am a Professor of Practice of Political Science at Lehigh University and the Director of Research and Analytics at czb LLC (an urban planning and neighborhood development consulting firm). However, I am more than comfortable developing and reviewing budgets, something I've done as a school director, at work, and in my roles on various boards.

Thank you so much your consideration and your vote.
