December 13, 2021

Dear LCCTC Member District Board Members and Superintendents,

We are pleased to present Lancaster County Career and Technology Center's 2022-2023 proposed budget. Our goal is to be a valuable partner to sending districts and the community to provide high quality career and technical education opportunities for all high school and post-secondary students. The proposed budget for the 2022-2023 school year was created after performing a comprehensive, zero-based budgeting needs assessment of our programs, student supports, and financial obligations. While there are some modest increases proposed, there were several areas that were decreased based on reduced need, netting in an overall 2.74% increase to district contributions (\$406,107 increase).

LCCTC prepared the proposed 2022-2023 General Fund Budget based on a student-focused approach. Highlights of the proposed budget are below.

- Continuously foster, promote, and evaluate high quality programs that maximize opportunities for students while minimizing the financial impact to those students
- Develop and grow postsecondary programming to benefit our students as well provide a positive revenue stream to the LCCTC
- Continue fully-funding textbooks, tools, and primary program certifications for all students
- Increase capacity for preventative maintenance of facilities
- Increase technology financing so that the CTC can maintain the 1:1 initiative
- Provide additional funding to programs that require additional consumable materials
- Utilize Perkins funding and other grants to allow for the purchase of needed instructional equipment and personnel needs

The LCCTC completed campus renovations in 2015. Due to these previous bond issues and the recent bond refinancing (saving the both the CTC and all districts more than \$500,000), contributions will continue to be made for debt service. We personally thank all of the Board Members for your support in keeping our facilities updated. As you prepare to discuss and consider passing the proposed budget, let me provide several facts regarding the budget we are asking you to approve for the 2022-2023 school year:

- As reviewed by the Superintendents and JOC Finance Committee, this year's budget includes an increase in total district contributions of 2.74%. This follows the 2.1%, 1.9%, 2.4%, 2.5%, 2.2%, 2.3%, 1.94, and 2.29% increases in Total District Contribution in the 2015/16, 2016/17, 2017/18, 2018/19, 2019/20, 2020/21, and 2021/22 budgets, respectively.
- This budget reflects a PSERS rate of 36.32%, based on PSERS projected rates.
- LCCTC will continue to monitor workforce training needs and ensure that they coincide with our program inventory.
- Additional highlights and background information have been provided to you in this budget packet.

As in our member districts, the development of a budget that provides quality programs at a cost that reflects the districts' ability to pay remains a major issue that will continue to challenge us. We feel the proposed operating budget reflects the requests that have been brought to us by Superintendents, JOC members, and LCCTC Administration. We hope you and your Board find the proposal acceptable and vote for its approval in the coming months.

If you have any questions or concerns about any part of the proposal, please feel free to contact either Dr. DelPriore or myself. In addition, if you would like us to attend any of your planning sessions or Board meetings to address any of your concerns, please let us know. We ask that each Director complete an individual Board Member Resolution Ballot, the Board Secretary complete an aggregated document totaling the yes and not votes, and return these documents to Dr. DelPriore in the CTC Business Office by the deadline of February 17, 2022. Pending voting results, the Joint Operating Committee will vote on its final approval during our regularly scheduled meeting on February 24, 2022.

We thank you in advance for your consideration of our proposal and wish you continued success as we serve the youth of Lancaster County.

Sincerely,

Surry davin
